Starbucks Coffee - User Reviews

Based on 136 user ratings

Rate

A place where two or more meet up for a coffee. Enjoy the view and experience that will bring you memory. Appreciate hand-crafted beverage of talented Barista. U just gotta feel the atmosphere!

- Adam Ariefy D.

Love this Starbucks... It's a great meeting spot to connect with friends. Located directly at the top of the stairs from City Hall MRT and entrance to Raffles City mall. Open late. Free WiFi.

- John A.

One of the bigger starbucks. I always can find seats for 1-2 person.

- Nicole T.

Upvote

Downvote

Good place but the Wi-Fi network can't cope with the load when this place fills up.

- Andreas E.
